## PRE-APPLICATION CONFERENCE–INSTRUCTIONS

Pre-Application Conferences are designed to provide applicants the opportunity to present land use development proposals to City staff prior to the actual land use application process. This advance discussion allows applicants an opportunity to ask questions about the applicable city codes, required permits, hearing and noticing and estimated processing timelines. The Pre-Application Conference also allows City staff an opportunity to review preliminary plans, and to provide comments to applicants regarding the project and design. This feedback early in the planning process can help applicants avoid major plan revisions that are more cumbersome to change after an actual application submittal.

Applicants should keep in mind that, due to the preliminary nature of information discussed during Pre-Application Conferences; City staff reserves the right to determine permitting requirements upon receipt of an official application. Information obtained during a Pre-Application Conference is subject to subsequent changes in the Canby Comprehensive Plan, Canby Municipal Code, and/or any other applicable regulations. A Pre-Application Conference does not “vest” (lock in any fees or development requirements) a project in any way.

Once your pre-application has been submitted, it will be reviewed by the Planning Department. You will be notified of any changes and returned to the Planner for approval. When you have the approval you will take sixteen (16) paper copies and one copy in electronic format to the Office Specialist at Public Works who will contact you to set up your conference. At this conference representatives from the following City departments and public agencies will be in attendance: Public Works, water, telephone, cable, gas, electric, Clackamas County (if needed), Canby Fire District, Oregon Department of Transportation (if needed), Planning, Engineering and Parks.

***All required application submittals detailed below must also be submitted in electronic format. The City may request further information at any time before deeming the application complete. Required application submittals include the following:***

Applicant	City
Check	Check

- |                          |                          |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Submit one copy of your proposed pre-application submittal, addressing the minimum pre-application requirements listed below, to the Planner for review and comments.   |
| <input type="checkbox"/> | <input type="checkbox"/> | Once you have made any needed changes per the planning department, submit sixteen (16) paper copies of this application packet to the Office Specialist at Public Works (1470 NE Territorial Road) who will schedule your Pre-Application Conference.   |
| <input type="checkbox"/> | <input type="checkbox"/> | Submit an electronic copy of this application packet to the Planning Department   |
| <input type="checkbox"/> | <input type="checkbox"/> | Payment of appropriate fees – cash or check only. Refer to the city’s Master Fee Schedule.  |
| <input type="checkbox"/> | <input type="checkbox"/> | Narrative – A detailed narrative description of your proposal and any specific questions you want the City to respond to at the Pre-Application Conference.   |
| <input type="checkbox"/> | <input type="checkbox"/> | Site/Plot Plan drawn to scale showing: <ul style="list-style-type: none"><li><input type="checkbox"/> Property lines (legal lot of record boundaries)</li><li><input type="checkbox"/> Lot area</li><li><input type="checkbox"/> Impervious surface area</li><li><input type="checkbox"/> Location and size of all proposed hardscape, including driveways, parking lots, compact cars and handicapped spaces, loading areas, bicycle paths, bicycle parking, sidewalks, and pedestrian ways</li><li><input type="checkbox"/> Location, size, &amp; heights of existing and proposed structures</li><li><input type="checkbox"/> Proposed elevations</li><li><input type="checkbox"/> Distances between structures and other significant features, including property lines, yards and setbacks, building area,</li></ul> |
